

Fence Pro™

Fence Pro Gas Powered Post Driver

Pneumatic • Hydraulic • Gasoline
Professional Grade Tools

*Pro-Series Extended Handles (301250) sold separately

Professional Fence Contractors rely on the Fence Pro™ Post Driver

Install commercial grade fence, faster, with less equipment, supplies and manpower. Includes a 2-1/2" chuck equipped with RHINO® Chuck-Lok™ Adapter Technology. This innovative post adapter system increases the post driver's efficiency and durability.

The Fence Pro™ Post Driver

- Comes standard with a 2-1/2" I.D. Chuck, and Chuck Lok™ System with 2" adapter. Optional 1-3/4" or 1" adapters are also available.
- The 2-1/2" chuck makes this a perfect choice for driving round posts up to 2-3/8" O.D. The 2" chuck sleeve drives T-Posts and smaller round posts.
- The Fence-Pro™ drives post for many types of fencing, including erosion control, agricultural, containment, security, and residential.
- Lightweight and easy to transport.
- Compact enough for use by one installer. Fits into areas with limited access and maneuverability.
- No additional equipment needed. Powered by the reliable Honda 4-Stroke Engine.
- Equipped with Rhino's CIS™ Vibration Dampening and padded grip for handling comfort.
- Made in the U.S.A. of durable, quality materials.
